

GLOBEXTRA
TECHNICAL SERVICES L.L.C.

ADORNING
YOUR FUTURE
WORLD

*The secret of landscapes is not creation...
It is maintenance, and Globextra cares..*

Globextra Technical Services LLC

is a company built from a vast array of experience. We can provide full service and maintenance programs tailored to your requirement, which can range from "care" maintenance of an empty building through to a resident engineer on a large office or commercial complex. We are able to maintain all building services equipment utilizing our well experienced labor force, in terms of Quality Assurance and Health and Safety. Globextra is providing a quality service at competitive prices, together with the recognition on client's requirements and provision of cost-effective solutions and high-level service delivery. It is able to offer their personal service which, even in these modern times, is still highly valued by many customers. With the necessary procedures in place this will confirm that we are capable of providing bespoke services to the highest level and to the complete satisfaction of our clients.

Continuously providing sustainable services with the fastest execution, while always ensuring safety and quality according to local and international standards with the goal of bringing peace of mind and satisfaction for clients. Globextra contributes to the improvement of production and business efficiency and ensures comfort, well-being, and safety for the end-users
